

PROFILE

I am currently studying Software Engineering at the Faculty of Informatics, Burapha University, with hands-on experience in Software Quality Assurance (SQA). I am eager to further develop my skills in software testing and quality assurance by pursuing an internship where I can apply my knowledge and grow professionally. My goal is to contribute to the development of high-quality software through thorough testing, ensuring that applications meet the required standards and function smoothly for users. I am passionate about learning new testing methodologies and tools to enhance my abilities in the field.
